

#### **Purpose of Document:**

The purpose of this guidance document is to assist long-term care facilities (LTCFs) with re-assigning the NHSN Facility Administrator in the CDC's National Healthcare Safety Network's (NHSN's) LTCF COVID-19 MODULE. This will help prevent loss of NHSN access in the event of staff turnover.

<u>NHSN Facility Administrator Will Be Leaving Soon</u> - If your facility still has an NHSN Facility Administrator that is soon leaving the facility, please ensure that this role is reassigned to another user within the facility. As an alternative, at least one user should be assigned "ALL Rights", so that weekly reporting is not jeopardized.
