Member states	EIB own resources	Germany	20/12/2018	Investment Ioan	NEUE FAHRZEUGE U- BAHN NUERNBERG	The project consists of procuring and putting into operation of new rolling stock (trains) for the Nuremberg underground servicing the Cities of Nuremberg and Fuerth in the German federal state of Bavaria. With over 500,000 inhabitants, Nuremberg is the second-largest city in Bavaria after Munich and the largest one in the administrative region of Middle Franconia. The existing rolling stock will reach its calculated service life by 2019 and has to be replaced. The new rolling stock will have enhanced environment and passenger friendliness and energy efficiency, and will also offer other benefits such as barrier-free access and increased pram space, among other things.	20.0	100.%	20.0	20.0			20.0
