# Message from the Editor-in-Chief

*Digital* (ISSN 2673-6470) is an international, multidisciplinary, peer-reviewed, open access journal that covers topics on computer sciences, such as digital signal processing, artificial intelligence, data science, etc. *Digital* also covers topics on the digitization of social sciences, such as medical and health sciences, agricultural sciences, humanities, management, economic and education, etc. Our aim is to encourage scientists or researchers to submit papers on digital technologies and digitization initiatives, digital transformation, digital innovations and digital

---

## Editor-in-Chief

Prof. Dr. Yannis Manolopoulos

---

## Aims

*Digital* (ISSN 2673-6470) provides an advanced forum for studies related to digital technologies and applications on health, the economy as well as societies and humanities. It publishes reviews, research papers and short communications as well as Special Issues on particular subjects.

---

## Scope

### Digital Technologies:

- Artificial intelligence
- Machine learning
- Big data management
- Data analytics
- Cloud and mobile edge computing
- Multimedia processing
- Natural language processing and speech recognition
- Internet of things
- Blockchain technologies
- Neurocomputing
- Robotics
- 5g networks
- Cybersecurity
- Virtual and augmented reality
- Computer graphics and animation
- Human-ai interaction
- Web and mobile app development
- Connected and wearable devices
- Immersive technologies
- Identity and access management
- Digital twins
- Smart cities

### Digital Applications:

- Digital agriculture
- Digital archaeology
- Digital art
- Digital economy
- Digital education
- Digital ethics
- Digital government
- Digital health
- Digital humanities
- Digital marketing
- Digital milieu
- Digital preservation
- Digital society

---

## Author Benefits

### Open Access

Unlimited and free access for readers

### No Copyright Constraints

Retain copyright of your work and free use of your article

### Thorough Peer-Review

### Discounts on Article Processing Charges (APC)

If you belong to an institute that participates with the MDPI Institutional Open Access Program

### No Space Constraints, No Extra Space or Color Charges

No restriction on the maximum length of the papers, number of figures or colors

### Rapid Publication

A first decision is provided to authors approximately 22.7 days after submission; acceptance to publication is undertaken in 3.5 days (median values for papers published in this journal in the second half of 2023)
