

CN Group Supplementary Pension Plan **Schedule of Investment Arrangements**

The Statement of Investment Principles ("SIP") of the CN Group Supplementary Pension Plan ("the Plan") sets out the guiding principles upon which the Plan's investments are based (and was last updated in September 2020.) The purpose of this schedule is to provide details of the specific investments that are in place from time to time.

The planned asset allocation is summarised in the following table:

Asset Class	Central Asset Allocation (%)	Tolerance Ranges (%)
Global Equities (Market cap - passive) Hedged	17.0	7 – 27
Global Equities (Low volatility - passive)		
Global Equities (Fundamental Indexation "RAFI" - passive) Hedged		
UK Property	16.0	6 – 26
Credit	22.0	12 – 32
LDI	45.0	35 – 55
Cash	0.0	0 – 10
Total	100.0	

The Plan's fund manager was selected following thorough reviews of its track record, methodology and investment style. The process undertaken included a detailed appraisal by the Trustee and its investment adviser, and interviews to ensure suitable candidates were selected. The current manager structure and investment objectives for the fund manager ("mandates") are as follows:

Mandate	Investment Objectives	Annual Management charge
Legal & General Investment Management (Passively Managed Global Equity, LDI and Cash Portfolios)	To perform closely in line with the respective benchmarks for each underlying pooled fund.
