Ofcom Residential Postal Tracker - January 2022 to December 2022 (Online only)

QC3\_13 Here are some statements that other people have made about sending and receiving post. To what extent do you agree or disagree with each one?

I would prefer postal services to be delivered in an environmentally sustainable way, even if it takes a little longer

Base : All participants

	Total	2nd class usage			Reliance on postal service for sending/receiving letters and cards						Reliance on postal service for sending/receiving parcels						Affordability challenges

QC3\_14 Here are some statements that other people have made about sending and receiving post. To what extent do you agree or disagree with each one?  
I would prefer postal services to be delivered in an environmentally sustainable way, even if I had to pay more for it
