## Introduction to survey

Thank you for helping us with this survey.

We are conducting a study looking at the quality of television in the UK, and people’s attitudes to TV channels (amongst other things). This study is being carried out in behalf of Ofcom (the Office of Communications) which is the body responsible for overseeing the quality of television in the UK.

The information from the study will help Ofcom to understand people’s attitudes towards television channels.

The survey will take approximately 25-30 minutes to complete.

**IF BATCH 2,3 OR 4 ID:** You will be offered a £10 Love2Shop voucher as a thank you once the survey is complete.

Your responses will be treated in the strictest confidence. BMG Research abides by the Market Research Society Code of Conduct at all times.
