

Abisko – Guided Backcountry Skiing on Nuolja

Follow our ski patrol to the best snow of the day and finest lines down the mountain.

Since there are no prepared slopes, Nuolja Offpist can be a challenging mountain to read, and the good lines are not easy to find. By following our ski patrollers for a couple of hours you will get to know Mt. Nuolja much better, and then you can use that knowledge to find the best snow and most beautiful lines on your own.
