

2020 Census Urban Area Errata – February 2023

The original release of the 2020 Census Urban Areas files incorrectly delineated the San Francisco--Oakland, CA Urban Area and the San Rafael--Novato, CA Urban Area as separate Urban Areas. These areas were combined into the San Francisco--Oakland, CA Urban Area.

2020 Census Urban Areas webpages and products will reflect this change.

The San Francisco—Oakland, CA Urban Area has been corrected in:

As of 02/07/2023:

- Information on the [Urban and Rural](#) webpage and [2020 Census Urban Areas Facts](#) webpage
- 2020 Census Urban Areas Wall Map
- TIGERweb application
- 2020 TIGER/Line Geodatabase

As of 02/23/2023:

- Census Geocoder

As of 03/08/2023:

- TIGER/Line Shapefiles

The following products have been or will be initially published with corrected information:

- Relationship Files
- Cartographic Boundary Files
- Additional maps

If you have downloaded or used the 2020 Census Urban Area information prior to when the correction was applied, delete your old information and replace with updated information when available.
